Hi Dean,

Thanks for letting me know you're available to support Typhoon Soudelor. For our planning purposes please let me know which incident is your focus on right now, Soudelor or Gold King?

I'm copying Michelle and Chris on this to keep them in the loop.

Subject: Press and Congressional on our Response activities for CNMI Typhoon Soudelor

Hi John, Tana,

Tana –

Just talked to John about my role on the response activities in CNMI, I can do both Press and Congressional for what we have going on the ground in CNMI. My regular duties are as Press/Congressional for CNMI/GUAM/AS and Hawaii.

In talking to John, he indicated there doesn't seem any immediate press/congressional issues as yet. Because of the Colorado Mine situation, and with Harry and Pete being very busy, I will contact Michelle Rogow (and later Chris Reiner) to see what they may need and or is expected.

My contact info is below, my EPA Cell is 808-216-9787, I'm in the Honolulu Office.

Thanks!
